Dear Fellow Member,

Are you ready for the 2006 Hurricane Season?

Power To Go, a member of the Florida Restaurant & Lodging Association, is proud to be your alternative power source for disaster-related power outages. Our company offers more than just a generator. We also guarantee fuel, provide off-season storage and maintenance, and we have a program that lets you earn money back on your generator investment.

The **Power To Go** program allows you to protect more than one facility with the same generator, thus reducing your cost dramatically.

FRLA members need protection now, and **Power To Go** can provide you with generators this season. We also offer special finance and lease programs. ***DON'T DELAY***. Lead times are increasing rapidly as the hurricane season approaches.

See one for yourself at one of the upcoming FRLA Hurricane Preparedness Meetings scheduled in June and sponsored by **Power to Go** and **SYSCO Food Service**.

Call Rusty Walker at 877-690-3101 for a free mini CD or visit www.powertogo.com. Please see our enclosed brochure.

Sincerely,

Dan Murphy
Vice President, Membership & Corporate Relations
